

2015-2016

PARKING INFORMATION

The Academic year at BPSI is a busy time. There will be many nights, especially Thursday class nights, when parking may be a challenge.

The information in this booklet will alert you to the parking permit policies and procedures, as well as the **legal parking areas available to you**. The enclosed map will help orient you to the exact locations mentioned.

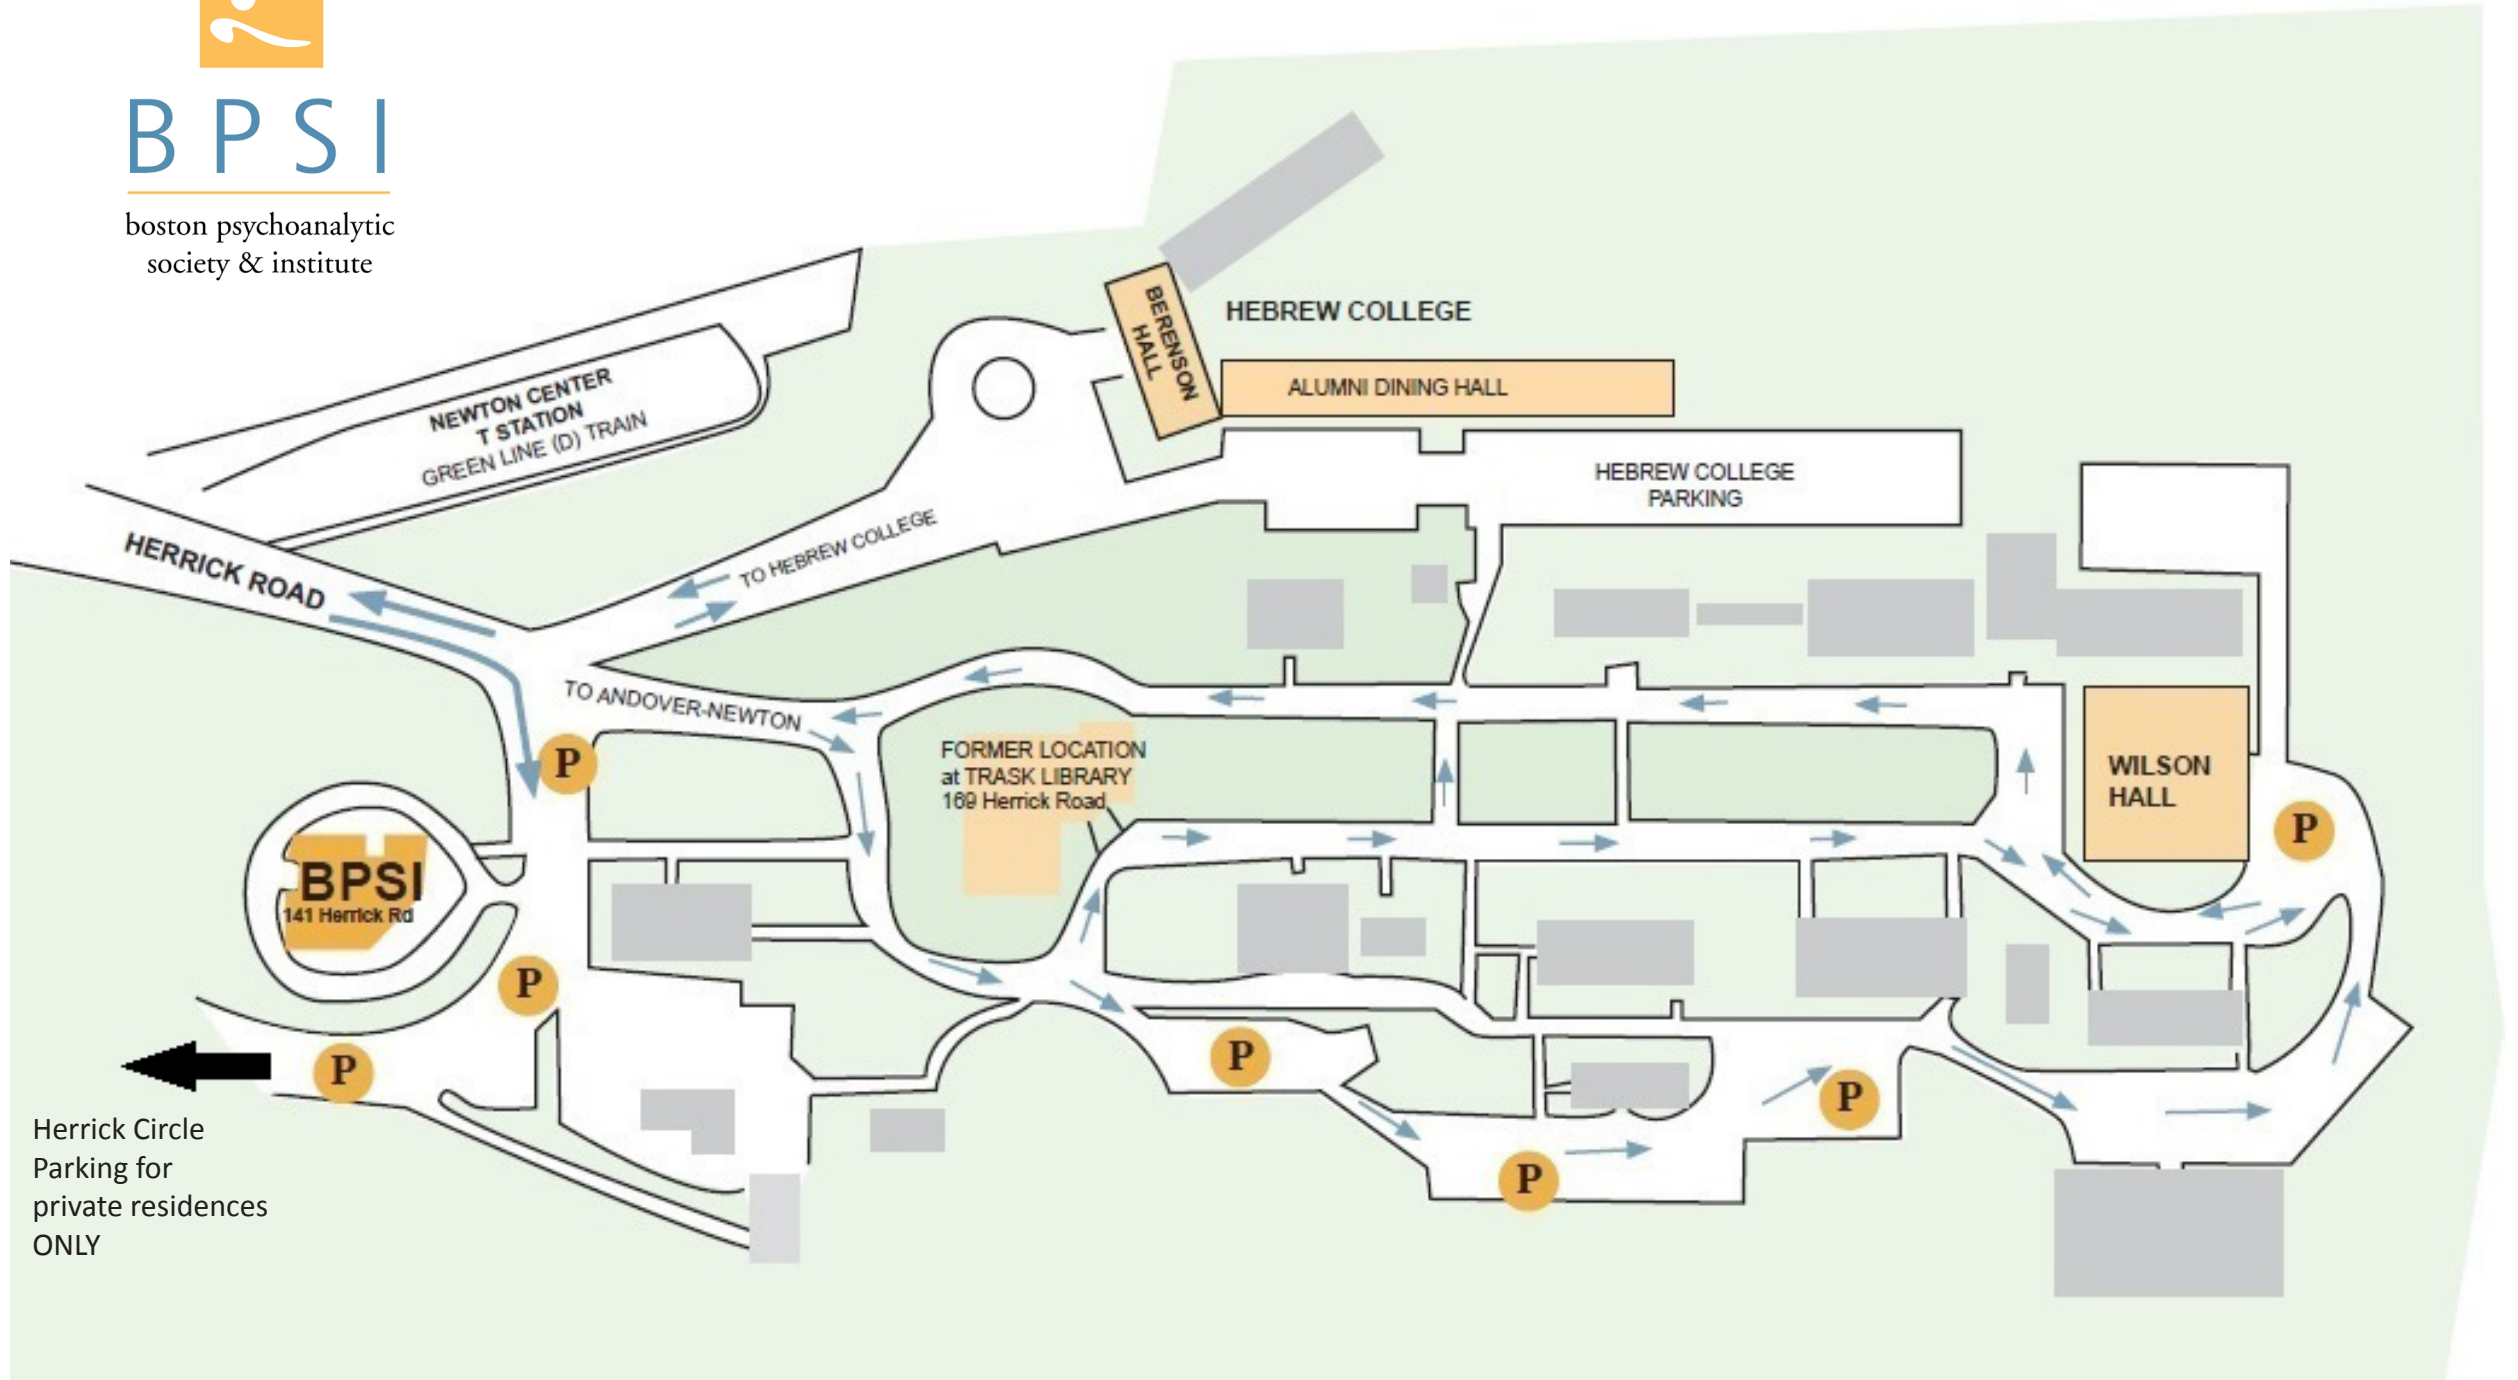

The Andover Newton campus offers additional parking options, which are listed on the back of this booklet.

Thank you in advance for your understanding and cooperation. The administrative staff is available to answer questions or address your concerns at any time.

BPSI

boston psychoanalytic
society & institute

Parking at BPSI

- There is plenty of parking on the side and behind the building.
- “BPSI Reserved” spaces are open to all members, candidates, students, and BPSI guests.
- If you park behind the building there is a well-lit pathway to the front door. (Please note: you may enter the building only through the front door; the east side stair exit in the library is for emergency exit use only.)
- Parking along Herrick Circle is not permitted at any time. Herrick Circle is for the access and use of private residences on that street. **BPSI cars found to be parked on Herrick Circle will be towed.**
- There is what appears to be a small, angled parking space across the roadway from a fire hydrant where BPSI’s parking area leads to the private residences along Herrick Circle. **This is not a legal parking spot**; parking in this location impedes access to the fire hydrant located across the roadway. **Cars found to be parked in this space will be towed.**
- Cars found to be parked illegally in handicapped or unmarked spaces **will be towed.**

Parking on the Andover Newton Campus

- Parking on the Andover Newton campus without a BPSI parking pass puts you at the risk of being towed.
- Parking passes must be clearly visible, either hanging from the rearview mirror or easily seen on your car’s dashboard.
- There is no charge for the initial parking pass. Replacement passes, available for a small fee, may be obtained from Drew Brydon (dbrydon@bps.org or 617-266-0953 x105).
- Cars found to be parked illegally in handicapped or unmarked spaces are at the risk of being towed.

Parking on the Hebrew College Campus

- Parking at Hebrew College is available ONLY when specified. Please DO NOT park at Hebrew College without express permission from BSPI administrative staff.
