

## **BPSI SCHOLARSHIP PROGRAM**

### **Information for Academic Year 2022-2023**

With thanks to the generous gifts from BPSI's members and friends, the Board of Trustees, and Scholarship Committee, we are pleased to announce that BPSI Scholarships are now available for Candidates, and Students in the ATP and Fellowship.

#### **Tuition Scholarships**

BPSI is committed to helping our trainees begin and continue in their psychotherapy training and psychoanalytic training. Last year, a total of \$19,000 in tuition scholarships was awarded across all training programs. BPSI strives to match or increase the scholarships available each year, and this year's tuition scholarship pool will be determined by the Board of Trustees, depending on the success of the **2021-2022 Annual Giving Campaign**.

Scholarship awards from this pool are distributed according to the financial need among all applicants and determined by the Scholarship Committee. The Committee is comprised of Community Members from BPSI's Board of Trustees, and are not involved with the education of trainees. All applicant information is handled with confidentiality

*The Scholarship program is made possible by the generous support of BPSI members and friends. Your gift to BPSI supports psychoanalytic and psychotherapy education and ensures the future of our field. [Please click here to make a gift to support our Trainees.](#)*
